Foreword

As this year draws to a close, the members of the senior class look back upon this year and the years before with happy memories and with a little ting of sadness in our hearts in knowing that we shall soon be saying good-by to old friends and familiar places.

We have tried to compile this 1962 Panther so that it will be a memory book for the years to come. We hope we have succeeded!

Dedication

We, the senior class of 1961-62, with great honor dedicate our yearbook to Mrs. Kathleen Gillean. We wish to let her know that we sincerely appreciate the many things she has helped us accomplish this year.

She has worked long and hard with us on this annual as well as banquets, parties, and fund raising projects. For her advice, devotion and guidance to our class, we express our love and sincere appreciation. We shall always be grateful to her.

Superintendent's Message

It has been a pleasure and privilege for me to work with you this year and I extend to you, each and every student, my sincere good wishes for a useful and happy future. Success and happiness can be yours. As your guide to success and happiness may I say:

Four things a man must learn to do,

If he would make his record true;
To think without confusion clearly,
To love his fellow man sincerely,
To act from honest motives purely,
To trust in God and Heaven securely.

Sincerely,

L.B. Kennedy

Principal's Message

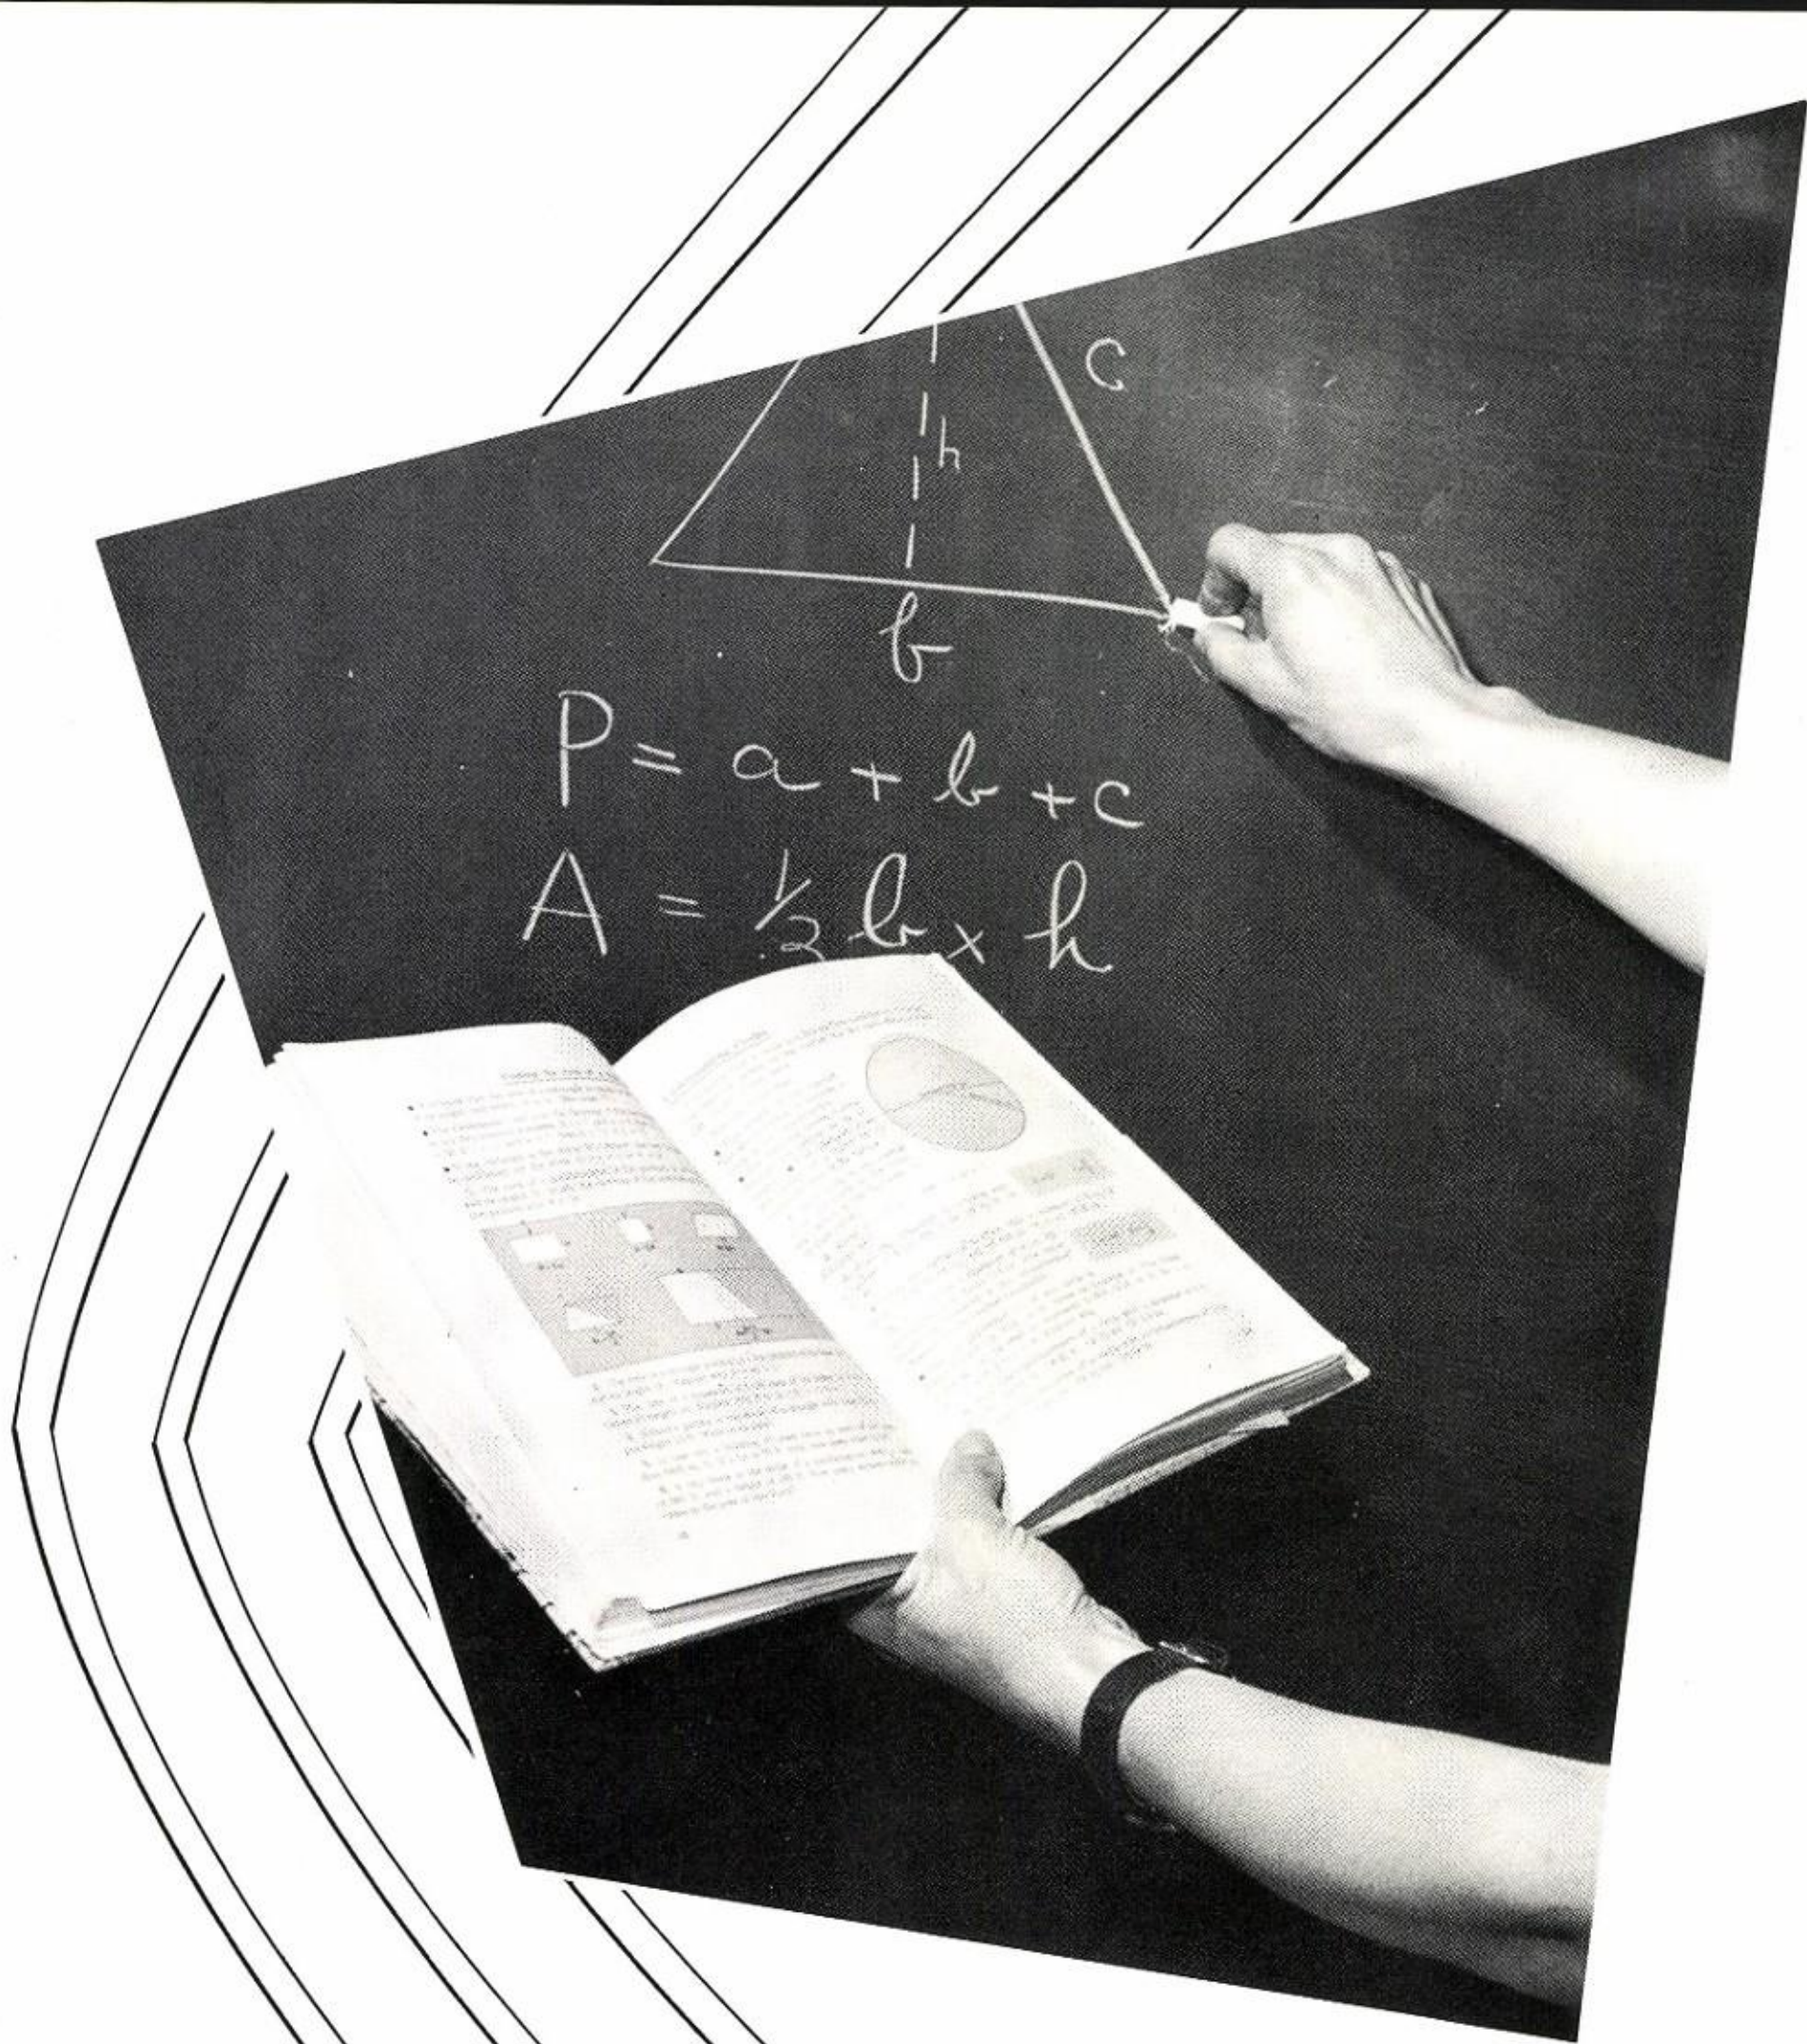

I feel that it is an honor to write in the Fouke School Annual, and it is with pleasure that I do so.

I would like to congratulate the students, Mrs. John Gillean and Mr. Dean Morris for their untiring efforts to make this annual possible.

To the Seniors, I wish to say as you go forth from this school with high expectations for the future remember that only by diligent application to the task at hand will you attain success, and that you will be happy and content to scale the ladder of success one step at a time.

Sincerely,

J. a. Jones
